OCTOBER 4TH, 2017 | 8AM to noon

Hyatt Regency Hotel, 151 East Upper Wacker Drive, Chicago IL

The 2nd Annual Chicago Sports Summit is a half-day event featuring some of Chicago's heaviest hitters. Participants will speak about how sports and after school activities empower youth to engage in positive behavior to help reduce Chicago's violence. Executives will also discuss how they use sports marketing and celebrities to grow their business. Attendees will learn about new developments in sports science and how these advances impact an athlete's endurance, performance and injury prevention.
